UNION COUNTY HIGH SCHOOL HANDBOOK

RIGHTS AND RESPONSIBILITIES OF PARENTS

It is the expectation of the School Board of Union County behaviors expected of high school age students are not that different from behaviors one would expect from adults throughout society. Moreover, parents and guardians have certain rights regarding their student that are prescribed either by Florida State Statute, or by Federal legislation.

This section of the Code is designed to provide parents a summary of basic rights (as well as responsibilities) they have regarding their son or daughter while a student in the Union County School District.

IT SHALL BE THE POLICY OF THE UNION COUNTY SCHOOL DISTRICT THAT:

- All adults (including parents of students) must sign in at the front office of the school at which they are visiting.

- It is expected that adults’ dress, behavior and language should reflect the same standards expected of students. This includes adults wear shirts and shoes, and that they must refrain from smoking or the use of any tobacco or vape products while on any school board property.

- Parents should recognize that due to age differences, schools often have policies that are unique to that age of student. Therefore, parents are asked to respect policies that might be unique to only one school, even though those policies sometimes “seem” to be widely differing.

- No student is to be removed from any classroom by a visiting adult. All students needing to leave school early will be sent for by a staff member and parents will sign for them in the Guidance Office.

Identification and Notification of the Equity Coordinator(s)

Federal and state laws and regulations require institutions to designate one or more persons to coordinate compliance with civil rights protections. One person may be designated for compliance with all applicable laws; or separate individuals may be designated for specific laws. Please contact Barry Sams at Union County School Board, 55 SW 6th St. Lake Butler, Florida 32054, 352-448-5145 or email at samsb@union.k12.fl.us.

Key Elements: Check for the following:
- Regular notification to employees and applicants for employment, students, and applicants for admission, parents, bargaining units, and the general public of the name, title, address and telephone number of the coordinator(s).

GENERAL POLICY STATEMENT: The Union County School District recognizes that individual situations will arise in each school that requires the use of discretionary decision making by School administrative officials. Therefore, each principal is authorized to establish
clear, specific rules that clarify or amplify these general policies, and publish them in that school’s Student Handbook. Each student shall receive a copy of those rules, and in no case shall those local rules supersede or exceed policies as stated in the Code of Student Conduct.

**Address/Telephone/Email Changes:** Please notify the school immediately if there is a change in your address, telephone number(s), email or person to contact in an emergency. This information is very important in case the school needs to notify you in case of illness, injury, or teacher communication.

**After School Activity:** Upon dismissal from school all students who do not have detention or a club, athletic, or organization meeting must exit the campus no later than 3:15 pm. Students assigned detention or participating in an organized meeting must report to their designated areas by 3:15 pm. Prior to reporting to assigned areas, students must acquire books, book bags, and other needed items. **After 3:15 pm all students must have a pass from a teacher or the office to be in the halls or on campus.** All students must exit the campus within 10 minutes of the time in which they are dismissed from their after-school activity. Any violations of the above items could result in disciplinary action.

**Animals:** Students are not allowed to bring any animal to school. If student brings an animal on school grounds it will result in a disciplinary action.

**Assemblies:** When attending an assembly students are expected to be attentive and quiet. Students are not allowed to stand on the seats or drape their legs over the seats in front of them. No food, drinks, purses or backpacks will be allowed in the auditorium.

**Athletics:** Athletics is an integral part of the total school program, reflecting the needs of the school, community, and students. The administration and athletic staff of Union County High School welcome you to participate in our interscholastic athletic program. As a member of a team representing your school and your town, you are to be aware of and to carry out certain responsibilities and regulations. Generally, we ask that you exemplify high moral character, behavior and leadership; respect the judgment and integrity of sports officials; display modesty in victory and graciousness in defeat; seek to develop and maintain good health habits through specific sound training rules; and respect at all times the integrity and authority of your coaches. A student must have a cumulative high school grade point average of 2.0 or above on a 4.0 unweighted scale, or its equivalent, in all courses taken that are required by s.1003.43(1), Florida Statutes, at the conclusion of each semester to be eligible during the following semester, a student whose cumulative high school grade point average is below a 2.0 on a 4.0 unweighted scale, or its equivalent, in all courses taken that are required by s.1003.43(1), Florida Statutes, at the conclusion of a semester shall not be eligible during the following semester. For more information regarding the Athletic Academic standing please refer to the most recent edition of the FHSAA Handbook. Athletic Director Ronny Pruitt has a copy of this handbook.

**All athletes are expected to attend at least 4 complete class periods on game day. If an athlete does not attend at least 4 class periods on game day they will be unable to participate in that day’s sporting event.**
**NCAA Division I Initial-Eligibility Standards:**
The initial-eligibility standards for NCAA Division I college-bound student-athletes are changing. College-bound student-athletes first entering a Division I college or university on or after August 1, 2016, will need to meet new academic rules in order to receive athletics aid (scholarship), practice or compete during their first year.

First, here are three terms you need to know:

**Full Qualifier:** A college-bound student-athlete may receive athletics aid (scholarship), practice and compete in the first year of enrollment at the Division I college or university.

**Academic Redshirt:** A college-bound student-athlete may receive athletics aid (scholarship) in the first year of enrollment and may practice in the first regular academic term (semester or quarter) but may NOT compete in the first year of enrollment. After the first term is complete, the college-bound student-athlete must be academically successful at his/her college or university to continue to practice for the rest of the year.

**Non-qualifier:** A college-bound student-athlete cannot receive athletics aid (scholarship), cannot practice and cannot compete in the first year of enrollment.

Here are the new requirements:

**Full Qualifier** must:

1. Complete 16 core courses (same distribution as in the past)
   *Ten of the 16 core courses must be completed before the first semester of the senior year of high school.
   *Seven of the 10 core courses must be English, Math, or Science.
2. Have a minimum core-course GPA of 2.300;
   *Grades earned in the 10 required courses required before the senior year are “locked in” for purposes of GPA calculation.
   *A repeat of one of the “locked in” courses will not be used to improve the GPA if taken after the seventh semester begins.
3. Meet the competition sliding scale requirement of GPA and ACT/SAT score (this is a new scale with increased GPA/test score requirements); and
4. Graduate from high school.

**Academic Redshirt** must:

1. Complete 16 core courses (same distribution as in the past)
2. Have a minimum core-course GPA of 2.000;
3. Meet the academic redshirt sliding scale requirement of GPA and ACT/SAT score; and
4. Graduate from high school.

**Non-qualifier** is a college-bound student-athlete who fails to meet the standards for a qualifier or for an academic redshirt.
Athletics, Clubs and Organizations: All student organizations must comply with Union County School District Policies, Florida Statutes (F.S. 232.39, 232.40), and these policies as described below:

The following are expressly prohibited under policies of Union County School District:

- Secret Societies
- Hazing in any form whatsoever. This applies not only to clubs and organizations, but to all athletic programs under the authority of the Union County School District as well.
- No athletics, club or organization can turn down a student who has applied for membership because of his/her race, sex, creed or religious background.
- Dues that are unreasonable, or that intentionally serve to restrict membership to any one group.
- Any illegal activities by any organization.
- No organization may meet without a staff sponsor or designated replacement being present. All organizations must have a designated sponsor and that sponsor may override any vote of the organization. However, that veto should be used reasonably, and allowances for the wish of the membership should be made where possible under existing rules.
- All initiation ceremonies must have the specific, written approval of the School Principal and the organization sponsor prior to being held.
- No organization may hold a regular meeting of its membership until an approved charter for that organization is on file in the office. However, new organizations may hold up to two informal organizational meetings in order to determine level of student interest, so long as the organization has secured a faculty sponsor prior to that meeting being held.
- Fundraising by any student organization will not be permitted unless specifically approved by the principal and the sponsor.
- All social events shall be properly chaperoned.
- All students wishing to participate in any athletics, clubs or any student organizations MUST have a cumulative GPA of 2.0 or higher as stated by FHSAA.

Attendance: Regular attendance at school is important for student achievement and should be encouraged. Excessive absences are detrimental to a student’s educational progress. Therefore, family trips and medical appointments should be planned during vacations or after school hours. As outlined in the student handbook and the code of conduct, regular and punctual attendance of all classes is required in compliance with Florida Statutes 232.0, 232.09. Schools are required to report to the Department of Motor Vehicle (DMV) the names of minors between the ages of 14 and 18 who accumulate 15 unexcused absences within 90 calendar days. (F.S. 1003.27) Those students driver's license will be suspended along with their driving privileges, until they attend school with no unexcused absences within 30 calendar days. Students that are turned into the DMV for attendance issues will lose their driving privileges and will not receive privileges until they can provide proof of a valid driver's license. Phone calls in lieu of a note will not be acceptable. Attendance guidelines for EXCUSED absences at Union County High School include:

1) Students must come to the attendance office upon returning and arriving to school to provide documentation for an excused absence. This also applies to
classes missed due to signing out for early dismissal. If a student is late to class because they did not get to school on time, they must sign in at the attendance office.

2) Students have **TWO DAYS** to excuse an absence.

3) If a student is ill, they must have **original** documentation by a licensed physician, mental health professional, or health department employee attesting to the illness, infection with communicable disease, or injury to the child. **Faxed notes are accepted only when faxed directly from the doctor's office.**

4) An original funeral notice or obituary accompanied by a note from the parent/guardian indicating a death in the family resulting in the absence of a child. The documentation must be submitted within the first 2 days of a student’s return to school for the absence to be considered excused.

5) Prior approval from the principal is required for school, church, or religious activities. The principal must approve any exceptions to the excused absence guidelines.

6) Absence due to the need to participate in legal proceedings should be documented by a note from the attorney of record, or any authorized court official attesting to the necessity of the student having been present in court on the day in question.

7) **Absence due to religious reasons** (either for observance, or a period of mandatory religious instruction as part of one’s faith). Written information from a pastor or priest must be provided to document such absences and the documentation must be submitted **24 hours prior to the religious observance.**

8) A parent may excuse **5 days of absences** by a handwritten note documenting the reason of absence. A student may bring a note to excuse a tardy to school, which will be considered a parent note for first period. **A parent note must include the following information: student's first and last name, student number, date(s) of absence, class periods missed, reason of absence, and parent signature.**

9) Students who have an ongoing illness that causes them to be absent are required to get written documentation from the treating doctor stating such condition, the student is under his/her care, and that the illness may cause excessive absences. **This document must be updated every SEMESTER.** If student is absent because of stated illness the parent must write a note stating absence is due to this illness.

Attendance guidelines for **UNEXCUSED** absences at Union County High School are:

1) Absences due to out of school suspension.

2) Absences not related to student or family illness.

3) Absences not related to death **within the immediate family.**

4) Any absences, regardless of reason, for which written documentation is not provided **within 2 days of return to school.**

5) If a student is absent from a class more than half of the class period and does not have an excused note, the student will be counted as an unexcused absence for that class.

6) The school nurse sending a student home because of illness does not excuse classes or days missed. The nurse can not excuse any classes missed at any time during the school day.

7) Parent note for early dismissal does not excuse classes or days missed.

8) Appointment cards cannot excuse an absence.
9) Copied notes cannot excuse an absence.
10) Funeral notes without a written note from a parent/guardian will not excuse an absence.

Students who have 15 or more unexcused absences during a semester will not receive credit for a class regardless of their grade. For more detailed information regarding what the state requires for attendance go to http://www.leg.state.fl.us, and read Florida Statutes, Title XLVIII, Chapter 1003, Part II, School Attendance (ss. 1000.21 – 1003.29 and 1003.436 definition of credit).

Make-Up Work:

EXCUSED ABSENCE: Students will have two school days for the first day of excused absence, and one day thereafter for each additional day of excused absence to complete make-up work. (Example: 3 days of excused absence will result in 4 days to complete all work.) Any work not completed and turned in within the allotted time will result in the student receiving a grade of zero for those assignments. It is the responsibility of the student to make arrangements for completing the classroom work assigned during his/her absence. Students may get their make-up work during class time or before school. Failure to do so within the allotted time following an excused absence is:

1. Zero grade will be given for all assigned work, including tests and/or exams
2. Teacher/student conference
3. Parent notification

UNEXCUSED ABSENCE: Students with unexcused absences and students serving Out-of-School Suspension will have the opportunity to make up missed work for a grade based on the same time allotted for excused absences. If the work is not completed and turned in within the allotted period of time then no credit will be awarded. Please be mindful that while assignments may be made up, the unexcused absence will count towards the number of unexcused absences which may result credit being lost or withheld.

Credit Withheld: Students who have 15 or more unexcused absences during a semester will not receive credit for a class regardless of their grade. Students are still expected to attend all classes. Students between the ages of 14 and 18 who accumulate 15 unexcused absences within 90 calendar days will be reported to the department of motor vehicles and their driver’s license will be suspended.

Band: Union County High School has a music program designed around instrumental music. It consists of several bands including Symphonic Band, Jazz Band, Percussion Ensemble and Marching Band. The Band supports the football team by playing at pep rallies, as well as, home and away football games. They also travel to many contests and festivals. After school participation is mandatory and attendance at all events is required. Band members work hard to be able to travel and enjoy the companionship of their fellow classmates. The Band also includes the “Tigerettes” featuring flags and dance, which is an integral part of the band. All parents should be aware of incidental expenses for the band students and be prepared to support your son or daughter. Additionally, each student is
required to obtain a parental consent form, which must be notarized. Please visit their website for more information: www.unioncountyband.com

**Bullying, Cyber Bullying, Violence and/or Intimidation:** Acts of assault, any kind of bullying, violence and/or intimidation shall be reported to administration. No one shall engage in harassment or discriminatory conduct which creates a hostile, intimidating, abusive, offensive or oppressive environment. This shall include cyber-bullying, intimidation/harassment, etc. Disciplinary action may be up to expulsion and/or may be reported to the proper law enforcement agencies.

**Bus Passes:** In order to ride another bus, you must have a bus pass. A bus pass can be obtained through the front office prior to school. You must have a note stating which bus you will be riding, with whom you are riding with or destination, parent signature, and a phone number to contact the parent. **A parent must be contacted before a bus pass is issued to the student. A bus pass will not be issued if a parent is not contacted. A request for a bus pass must be turned into the front office upon arriving at school.**

**Buying and Selling:** Students are not permitted to bring any commercial or personal item to school for sale or trade. Only those items that are sponsored by UCHS student organizations and have been approved by the administration as a fund-raising project may be sold at school.

**Campus Pride:** We are very proud of our campus appearance. The custodians work every day to keep our campus clean and neat. This is an impossible task without the help of the students. Trash cans are located in all areas. All trash should be placed in the trash cans and not thrown on the ground or floor. This is your campus, so be proud of it.

**Car Pick-Up Area:** The car pick-up area is located by the front office at the south end of the campus near the flag pole. Parents may pick up or drop off their child in this area. The bus area is for bus students only. For safety reasons, students and parents are NOT ALLOWED to go in between the buses. Also, students may not be dropped off along the road in front of the school. This causes problems with the flow of traffic with the buses trying to get through.

**Care of School Property:** Each student is responsible for the proper care of all electronic devices issues to them, books, supplies, and furniture supplied by or located at the school. A student who vandalizes or does damage to school property or equipment will be required to pay for the damage or replace the item.

**Cell Phones/Electronic Devices:** Cell phones are allowed on campus but must be turned off before and during school and may not be visible. They may be stored in a backpack, purse, locker, vehicle, etc. Any cell phone that is seen and/or not in the “off” position will be taken and returned only to the parent/guardian (which is listed on the student emergency card). Cell phones must be powered off and kept in a location out of sight upon entering the school building at the beginning of the day and throughout the entire school day.

**Discipline for Cell Phones/Electronic Devices:**
- **1st violation:** Confiscation of device and returned only to a parent or legal guardian. A day of ISS will also be assessed.
2nd violation: Confiscation and only returned to parent or legal guardian. Two days of ISS.

**Any student who fails to immediately relinquish a cell phone or electronic device when requested by school personnel will automatically receive a greater punishment due to insubordination.**

Electronic devices are brought to school at the owner’s risk. The Union County School District or their employees are **NOT** responsible for any devices that are damaged, lost, or stolen.

Students are **not** allowed to bring electronic devices such as radios, CD’s, DVD’s, MP3’s, I-Pods, Laptops, I-Pads, Kindles, etc, on the school bus or on school property. If the wireless communication device is “powered on” it will be interpreted as being in “use”. Usage of a wireless communication device on campus upon arrival to school or while on school transportation at any time will result in disciplinary action. If any of the above items Possession of lasers, digital or video camera NOT ASSIGNED BY THE SCHOOL, or any electronic devices that can be used to compromise testing are strictly prohibited.

**Cheating and Providing False Information:** Students involved with cheating on any form of assignment, assessment, etc. will receive no credit (a zero) on that assignment, assessment, etc. Note: This is considered an academic violation and not a discipline issue.

A Technology violation involving cheating and or altering official school records and/or other students’ records, such as assignments, assessments, etc., will result in loss of credit (a zero) and may be subject to disciplinary action.

**Class Dues:** Class dues are $10.00 for every grade level entered. Example: if you start out as a junior you pay your junior due but are not required to pay 9th and 10th grade dues if you did not attend UCHS. Dues are used to pay for class activities and includes all grade levels. Dues must be paid in order to participate in various class or school activities. (prom, homecoming, etc.)

**Clinic:** The clinic is located in the Full Service Building. The Full Service Building is located between the main building and the gym. The clinic will be available to students who become ill at school, receive an injury at school, or must take prescribed medication. **No student will be allowed in the clinic without a pass.** Clinic personnel must make contact with a parent or guardian before a student will be allowed to leave. All medications (in original packaging) should be turned in to the nurse or the health aide at the clinic along with an Authorization for Medication – Prescription and Non-prescription form. **THE CLINIC DOES NOT PROVIDE MEDICATION OF ANY KIND.** Parents should provide the nurse with any information regarding health problems of their child in order for the nurse to share this information with the child’s teachers. *Please make sure you have turned in a current registration/emergency card and that it is kept up to date throughout the school year.*
Closed Campus: Upon arriving on campus, students are not allowed to leave until the school day ends at 3:00 p.m. In order for a student to be able to leave campus, a student must be part of a supervised school activity or sign out at the Attendance Office. **Students may not sign out to go to lunch nor are they allowed visitors at lunch.** Students are not allowed to have food deliveries made to the school for lunch. The campus will be secured at 3:15 and all students are required to leave the campus at that time unless in detention, with a teacher, club or organization meeting, or attending an athletic practice. Please see After School Activity Procedures for more information.

Community Service Hours: Community Service forms are available in the Guidance Department. The front of the form must be filled out and approved by UCHS Administration prior to the start of any community service. On the back of the form is a daily log sheet where you will keep track of your hours and the supervisor should initial your daily hours. When you have completed your service or the sheet is full make sure you total your hours and return them to the Guidance. **Hours must be turned in to the registrar on a monthly basis.** Examples of volunteer places would include but not limited to: Nursing Homes, Public Libraries, Hospitals, Schools, and Little League. etc. Examples that would NOT be considered a service would be; work done for a family member at home or their business, club meetings (even if planning for a fundraiser), fundraisers for any club, sport...etc., and something for which some type of recognition/award is given (such as: work done towards Eagle Scout Badge). If you are unclear as to what is considered a community service, please see Administration.

Computer Lab Study Hall: Students enrolled in Virtual School and/or Dual Enrollment courses may be scheduled into a computer lab study hall if space is available. In order to remain in the lab, a student must be continuously and actively enrolled in either a Virtual School or Dual Enrollment course. Any student who is dropped from their Virtual School or Dual Enrollment course will not be permitted to remain in the lab and will be reassigned. In addition, the student will not be allowed to enroll in the computer lab study hall during the next semester. The credit earned in the Virtual School and/or Dual Enrollment course will be used as the grade for the computer lab study hall. Since credit is being earned attendance is still required, as well as the policies associated with student attendance. Any student receiving 15 or more unexcused absences in a computer lab study hall period will not be permitted to enroll in the computer lab study hall for the next semester.

Conferences/Class Observations: Parent-teacher conferences are scheduled at the request of either the school or the parent 24 hours in advance. There will be no conference appointments made on Mondays. A conference can be an important tool for parents to learn of the progress or their child. The student is often asked to join the conference. A guidance counselor or an administrator may also attend. If a parent desires a conference or observe a class, he/she should call the Guidance Office at 352-448-5237 to make an appointment. In order to observe your child’s class, you must make an appointment 24 hours in advance. The purpose of such attendance shall be made known to the teacher and principal prior to the visitation. Parents or guardians may attend their child’s class provided that their presence does not disrupt the normal learning environment. NO parent/guardian visit shall disrupt the normal learning environment or program. If a parent is scheduled for an observation, a visitor’s badge must be obtained in the front office.
Curriculum: UCHS offers a comprehensive educational program. We utilize a seven period school day. Students take seven classes each day allowing them to earn 7 credits each year toward graduation. Further information on specific class offerings can be obtained in the Guidance Office.

Debt: All debt must be paid before taking part in activities such as homecoming, prom, graduation, trips, etc...

Discipline: High School classrooms have set rules and consequences for discipline. Parents will be contacted if their child does not follow the classroom or school expectations and/or code of discipline. After this contact, if the child continues to be a discipline problem, they will be referred to the Assistant Principal’s Office on a discipline referral where additional disciplinary actions may occur. There will be a chart of discipline actions for infractions posted in the Assistant Principal's office. Disciplinary action may include but not be limited to the following:

1. Warnings and calls to parents are given.
2. In-school suspension. Students may be removed from class or classes and assigned to in-school suspension as a result of misconduct.
3. Corporal Punishment (with parent consent)
4. Out of school suspension will occur if the above methods have not changed the child’s behavior. A parent conference may be requested before a child may re-enter school from an out of school suspension.
5. Counseling
6. Non-attendance to school functions
7. Referral to law enforcement agencies
8. Alternative Placement

Driving Privileges and Student Parking:
Student driving and parking on the school campus is a privilege and may be revoked at any time as deemed necessary by the administration. All licensed drivers enrolled at UCHS are eligible for driving and parking privileges. Remember, this is a privilege. Students who wish to drive must show a driver’s license, registration and insurance card in order to purchase the necessary permit as required by Florida Statute. The permit will be numbered and will match an assigned parking space. The permit must be displayed. The cost of each permit is $10.00*. Cars that do not display the necessary permits will be towed and parking privileges suspended. Listed below are the rules and procedures that are to be followed:

1. Student must obtain a valid parking decal and park in their own assigned parking space.
2. Student is not allowed to let anyone else park in their parking place.
3. Vehicles parked on campus are not to contain any tobacco, alcoholic beverages, weapons, controlled substance, or drug paraphernalia.
4. Vehicles are subject to be searched.
5. Students are not allowed to go to their vehicle during school hours unless they have permission and receive a pass from the front office.
6. Students may be given “assigned” parking areas in advance for various reasons deemed necessary by the administration.
7. Students must follow Florida driving laws, including seat belt use.
8. Students must display safe and prudent behavior around any vehicle.
In order to sign a student out you must:

1. Have a valid picture ID (identification)
2. Be named as a contact person on the student’s contact (emergency) card

Failure to follow the above rules and procedures will result in disciplinary action by the School Administration. Discipline may result in one or more of the following actions:

1. Administrative warning
2. Discipline Referral/Suspension
3. Revocation of parking privileges

*Parking permit fees go to the Student Incentive Program.

Dual Enrollment:
Florida Gateway College, in cooperation with Union County School Board, provides dual enrollment opportunities for academically qualified high school students. They can earn credit toward high school graduation and at the same time earn credit toward a college degree or technical certificate. Students are permitted to take dual enrollment courses on a part-time basis during school hours, after school, and during the summer. Students attending UCHS who are enrolled in the program will have tuition, fees, and their books waived. However, students are required to turn in their books at the end of the course or they will be charged for the books.

A student who registers for a class and withdraws from that class must wait a semester before registering for another class. After a total of two withdrawals, a student will lose the privilege of dual enrollment for the remainder of his/her school career.

A student who receives a grade of “F” in a course must repeat that course and only that course for grade forgiveness before being allowed to continue in dual enrollment.

Early Dismissal: Students that need to sign out due to appointments that cannot be made after school hours must provide the attendance clerk a note stating the following information: Student name, time student needs to sign out, parent name, phone number to reach parent. This note must be presented to the attendance clerk before first period or when student arrives on campus. If a parent can not be reached, the student will not be able to leave campus. There are several occasions during the school year when students will be required to have a “Permission To Sign Out Form” filled out and signed by the parent. Such occasions are: Homecoming Parade, Christmas Break, Spring Break, semester exams and last days of school. This is due to the volume of students signing out. Students will have plenty of notice when such occasion arises.

In order to sign a student out you must:

1. Have a valid picture ID (identification)
2. Be named as a contact person on the student’s contact (emergency) card
Equal Opportunity: Students enrolled in Union County High School shall be provided an equal educational opportunity with regard to academic programs and extracurricular activities in an atmosphere free of bias or harassment.

Emergency Drills: Several times during the year, there will be various drills conducted so students may know what to do in case of an emergency. Students are to follow the instructions of the teacher. There is an evacuation route posted in each classroom. Students should evacuate quietly and in an orderly manner. No running is permitted. Students must remain in the designated area for their classes and remain with their supervising teacher. Students are not allowed to go to a different area to socialize with members of another class. The teacher will call roll once the class reaches the designated area. Students not following these guidelines will be subject to disciplinary action.

Enrollment: (Transfers and Withdrawals)

Both the parent or guardian and the student will need to be present as both signatures are required. All textbooks, library books and any other property belonging to UCHS will need to be returned at the time of withdrawal.

Fighting: Fighting will NOT be tolerated under any circumstance. Students that are engaged in a fight will receive a discipline referral and will be given ISS, OSS, or will be sent immediately to an Alternative Program. Students who video and/or disperse a video of a fight will also be held to disciplinary action due to their role in citing a disturbance.

Field Trips: Field trips are an important part of the total educational experience. They enable students to share their skills and talents with others. However, in order to provide for a well-balanced program for our students, the number of field trips in which individual students are permitted to participate must be limited. The following guidelines will apply:

1) Only educational field trips will be approved. The only exceptions will be academic competitions and conferences. Only the participants in these competitions or conferences will be excused to attend.
2) Students must complete an off-campus permission form prior to the trip.
3) Students are required to attend all classes that do not interfere with the field trip. If the field trip is scheduled for the afternoon, students must attend their morning classes or they will not be permitted to attend the field trip.
4) Absences or discipline referrals may determine participation on field trips.

**Financial Obligations:** A student owing money for library fines, textbooks, class dues, etc., must meet his/her obligations when due or make arrangements with the principal. Past due obligations will be placed in the student’s file. Any student with outstanding financial obligations will not be allowed to participate in school activities or events such as prom, graduation, etc.

**Florida Virtual High School Online:** The Florida Virtual School offers students the opportunity to take high school classes, including honors classes and advanced placement (AP) courses. Florida Virtual School is a great resource for students who have an unavoidable schedule conflict which prevents them from taking a desired or needed course. Students may not enroll in a course without approval from a parent and a representative of the Guidance Office. Visit: [www.flvs.net](http://www.flvs.net)

**Grade Forgiveness Policy:** The grade forgiveness policy for required courses shall be limited to replacing a grade of “D” or “F,” or the equivalent of a grade of “D” or “F,” with a grade of “C” or higher, or the equivalent of a grade of “C” or higher, earned subsequently in the same or comparable course.
